STAINLESS STEEL HAND DRYERS

CYCLONE & TORNADO STAINLESS STEEL HAND DRYERS

Stainless steel and chrome finishes are becoming increasingly popular for hand dryers as they combine a modern look with long term durability.

The Cyclone 1.8kW and Cyclone 2.2kW hand dryers are available in a satin stainless steel finish. Both these units are available with hands free operation.

CYCA18CSF

CYCA22CSF

CYCA24CSF

The Tornado high performance hand dryer is available in brushed satin chrome with either push button or automatic operation.

All these hand dryers share the same performance and suitability characteristics as their non-stainless equivalents.
